

**GOVERNMENT OPERATIONS COMMITTEE
DECEMBER 20, 2016**

Present: Bonnie Percy, Elden Morrison, Taylor Fitch, Mark Morris, Connie Hayes, Tim Groth, Jim Smith, Tim Dennis, Jenny Martin, CivicPlus (by phone), Jamie Shannon, CivicPlus (by phone), and Ashleigh Grove CivicPlus (by phone) Ed Bronson, Dan Banach, Earle Gleason, Leslie Church (attended late).

Tim Groth, I.T. Director, explained he obtained a proposal from CivicPlus to design and host our website due to some growing concerns with the current website. Tim turned the meeting over to Jenny Martin, Jamie Shannon and Ashleigh Grove who reviewed the proposal for CivicPlus to design, host and maintain Yates County's website.

The process from beginning to end is estimated to take approximately 6 months at a cost of \$40,000 for the first year and pricing for future years would be for maintenance and support only. This would not only give the county a working website but also a working intranet site. The site would be updated regularly by departments and be completely reviewed at the end of 4 years for a refresh.

The consensus of the Committee was to move forward with CivicPlus and Tim will have a resolution for the year end meeting authorizing the Chairman to sign the contract.

Meeting adjourned at 2:10pm
