

AIRPORT COUNCIL MEETING
October 25, 2016

PRESENT: Shawn Bray (Passero), Rich Leppert(Seneca Flight), Daryl Middlebrook(Penn Yan Aero), Dan Banach, Taylor Fitch, John Socha, Paul Middlebrook, Doug Marchionda Sr.(Penn Yan Flying Club), Dave Hartman(Yates County Highway), Doug Paddock, Brian Savage(Passero)

Minutes of September 30, 2016 were approved

Financial Report of September 30, 2016 was accepted

DISCUSSION:

FBO REPORT:

- A) Dave Hartman from Yates County Highway said his crew can do some brush cutting around fence. Highway crew can help revive the grass runway next to runway 1-19. They will rock hound, grade, and reseed in the spring.
- B) Rich said the Hertz computer is here. Now waiting for set up and training.
- C) Council members asked to submit some names of non-profit agencies we can partner with for the 5K race. Non-profit would need to have a lot of volunteers to help manage the race.

PASSERO REPORT:

- A) Brian from Passero reported the t-hangar project is moving forward quickly. Discovered project actually needed a little more work. The change order will use funds that were granted by NYS that exceed the cost of the project.
- B) The PAPI has been corrected and working properly. We do need to correct the AFD (Airport Facility Directory) to show new angle.
- C) The Town of Milo has received their airport sewer grant. Passero will contact Milo to see if their grant will cover our needs before applying for a grant.
- D) There will be a phone conference with the FAA on December 7th.
